*Performance numbers shown represent the CIT history, not the actual Fund performance. Fund performance and CIT performance may differ materially due to fees, participant and portfolio transactions and other factors. Prior to the inception date of the Fund, T. Rowe Price™ maintained an investment strategy which is used in the Fund. The Fund and the CIT represent separate products that employ the same strategy. CIT performance is primarily shown to give potential investors additional information on how the strategy employed by the Fund has performed over a longer time horizon. The CIT performance does not necessarily represent what investor returns would have been in the Fund.
