*Performance numbers shown represent TRRLX (Strategy) historical performance. Strategy performance and the CIT performance may differ materially due to fees, participant and portfolio transactions and other factors. Prior to the inception date of the CIT, T. Rowe Price™ maintained an investment strategy which is used in the CIT. The CIT and the Strategy represent separate products that employ the same strategy. Strategy performance is primarily shown to give potential investors additional information on how the strategy employed by the CIT has performed over a longer time horizon. The Strategy performance does not necessarily represent what investor returns would have been in the CIT.
