

# American Moderate Allocation Fund Class 1

CUSIP 76133T783 First Quarter | 3.31.2024

## FUND OBJECTIVE

The fund may be appropriate for investors seeking total return through moderate capital appreciation, current income and liquidity. Additional emphasis is on prudent overall diversification by asset class and investment style.

## FUND STRATEGY

The fund will maintain a target allocation that ranges between 50% to 70% in domestic and international equities. The remaining investments will be comprised of allocations to fixed income such as bonds, stable value, and money market funds. The investment manager will primarily use mutual funds and collective investment trusts to execute the strategy.
