

Brandywine Target Retirement

CUSIP 10532X830

First Quarter | 3.31.2024

FUND OBJECTIVE

The Fund seeks to provide capital appreciation and income over time with an emphasis on downside protection. This fund may be appropriate for investors who may be close to retirement or are currently retired.

FUND STRATEGY

The Fund invests in the Brandywine Asset Class CITs that provide exposure to specific asset classes, each of which seeks to protect its downside using the Brandywine Risk Replacement overlay strategy. The Fund seeks to adhere to the Glide Path Target Weights. The Fund pursues an asset allocation strategy that promotes asset accumulation prior to retirement, but may also serve as a post-retirement investment vehicle.

Prior to the inception date of the Brandywine Target Retirement Collective Investment Fund (CIT), the investment manager maintained an investment strategy which is used in the CIT. The CIT and the strategy performance represent separate products that employ the same strategy. The strategy performance is primarily shown to give potential investors additional information on how the strategy employed by the CIT has performed over a longer time horizon. The strategy performance results shown above reflect both the strategy performance prior to October 13, 2023, and the CIT performance since October 13, 2023. The strategy performance and the CIT performance may differ materially due to fees, participant and portfolio transactions and other factors. The strategy performance does not necessarily represent what investor returns would have been in the CIT.

DISCLOSURES

Alta Trust Company is a South Dakota chartered trust company that acts as the trustee of this CIT. Collective investment trusts are bank maintained and not registered with the Securities and Exchange Commission. The Declaration of Trust for the CIT describes the procedures for admission to and withdrawal from the CIT.
