

Sloy, Dahl & Holst Aggressive Class 1

CUSIP 83159R881

First Quarter | 3.31.2024

FUND OBJECTIVE

The fund may be appropriate for investors seeking primarily capital appreciation. Additional emphasis is on prudent overall diversification by asset class and investment style. Over a complete market cycle (3-5 years), the annual target rate of return for this fund is approximately 8% to 10%, net of fees.

FUND STRATEGY

The fund will maintain a target allocation that ranges between 80% to 100% in equities. The remaining investments will be comprised of allocations to fixed income such as bonds, stable value, and money market funds as well as allocations to alternative investment strategies such as long/short and managed futures. The investment manager will primarily use mutual funds to execute the strategy.

Prior to the inception date of the Sloy, Dahl & Holst Aggressive Collective Investment Fund (CIF), the investment manager maintained an investment strategy which is used in the CIF. The Sloy, Dahl & Holst Aggressive Collective Investment Fund and the strategy performance represent separate products that employ the same strategy. The strategy performance is primarily shown to give potential investors additional information on how the strategy employed by the Sloy, Dahl & Holst Aggressive Collective Investment Fund has performed over a longer time horizon. The blended strategy performance results shown above reflect both the strategy performance prior to December 31, 2015, and the CIF performance since December 31, 2015. The strategy performance and the CIF performance may differ materially due to fees, participant and portfolio transactions and other factors. The strategy performance does not necessarily represent what investor returns would have been in the Sloy, Dahl & Holst Aggressive Collective Investment Fund.

RISK PROFILE

An aggressive investor who seeks to invest in equities with the goal of aggressive capital appreciation and is willing to tolerate price fluctuations, long-term time horizon.
