## STRATEGY PERFORMANCE

Prior to the inception date of the My PortfolioPlus In-Retirement Conservative Fund Class 1 (CIT), the investment manager maintained an investment strategy which is used in the CIT. The CIT and the strategy performance represent separate products that employ the same strategy. The strategy performance is primarily shown to give potential investors additional information on how the strategy employed by the CIT has performed over a longer time horizon. The strategy performance and the CIT performance may differ materially due to fees, participant and portfolio transactions and other factors. The strategy performance does not necessarily represent what investor returns would have been in the CIT. The strategy performance shown at the right is from January 1, 2012 to December 31, 2021.
