

This document discloses information pertaining to the Naviquant Collective Investment Trust (the “Trust”). The Trust consists of a collective investment fund (the “Fund”). This investment option is provided to you by your employer through the company’s retirement plan by Alta Trust Company (“Alta Trust”). It is important that you review this information prior to investing.

## Collective Investment Fund for Employee Benefit Plans

### ***What is the Naviquant Collective Investment Trust Fund?***

The Fund is maintained by Alta Trust and is designed to serve the investment needs of tax-qualified employer sponsored retirement plans. The Fund is not a mutual fund registered under the Investment Company Act of 1940 (“1940 Act”), as amended, or other applicable law, and unit holders are not entitled to the protections of the 1940 Act. The regulations applicable to a collective investment fund are different from those applicable to a mutual fund. The Fund’s units are not securities registered under the Securities Act of 1933, as amended, or applicable securities laws of any state or other jurisdiction. In addition, the Fund’s units are not publicly traded on any exchange or over-the-counter market and, as a result, the unit values are not available for publication in newspapers.

The unit values of the Fund will fluctuate and the value of the Fund will decrease or increase in accordance with market conditions. There is no guarantee that the Fund will achieve its investment objective. Units in the Fund are not deposits or obligations of, or endorsed or guaranteed by, Alta Trust or its affiliates, and the units are not insured by the Federal Deposit Insurance Corporation or any other independent organization. The Fund is also subject to investment risks, including possible loss of the principal amount invested.

### ***Fund Trustee***

Alta Trust is a South Dakota state chartered trust company that provides retirement plan services to plan sponsors throughout the USA. In its capacity as Trustee, Alta Trust provides investment management, trust and custody services for the Fund.

### ***Investment Manager***

Naviquant Capital Management is the “Investment Manager” as that term is defined in Section 3(38) of Employee Retirement Income Security Act of 1974 (“ERISA”), as amended, with respect to the Trust and any Plan investing in the Fund. All of the assets of the Fund will be invested according to the corresponding strategy and investment guidelines described below.

### ***Who May Want to Invest***

The Fund may be an appropriate investment for investors seeking professional management of their retirement account assets.

### ***About Risk***

The Fund may invest in Equities: Domestic Large Cap, International Large Cap, Domestic Mid Cap, International Mid Cap, Domestic Small Cap, International Small Cap, US Fixed Income and Cash Equivalent. The Fund is subject to market risk, meaning that the value of the investments in the Fund may decline over time, causing a reduction in the value of the Fund.

Principal Investment Risks: As with all investment strategies, there is the risk that you could lose money through your investment in the Fund. Many factors affect the Fund’s net asset value and performance. The following risks may apply to an investment in the Fund.

Management and Strategy Risk: The value of your investment depends on the judgment of the Fund’s Investment Manager about the quality, relative yield, value or market trends affecting a particular security, industry, sector or region, which may prove to be incorrect. Investment strategies employed by the Fund’s advisor in selecting investments for

the Fund may not result in an increase in the value of your investment or in overall performance equal to other investments.

**Objective Risk:** There is no guarantee that the Fund will reach its stated objective.

**Investment Style Risk:** There is the chance that returns from micro to large-capitalization stocks will trail returns from the overall stock market.

**Limited History of Operations:** The Naviquant Collective Investment Trust and its associated Fund is a new offering and there is a limited history of operations for investors to evaluate.

**Expense Risk:** Prior to making an investment in the Fund, investors should carefully consider the expenses and how those expenses may reduce overall investment performance.

**Market Risk:** The market price of a security or instrument may decline, sometimes rapidly or unpredictably, due to general market conditions that are not specifically related to a particular company, such as real or perceived adverse economic or political conditions, throughout the world, changes in the general outlook for corporate earnings, changes in interest or currency rates or adverse investor sentiment generally. The market value of a security or instrument also may decline because of factors that affect a particular industry or industries, such as labor shortages or increased production costs and competitive conditions within an industry.

**Fund of Funds Risk:** Mutual Funds, Exchange Traded Products (ETPs), Collective Investment Trusts (CITs), and other fund offerings may be subject to investment advisory and other expenses, which will be indirectly paid by the Fund. As a result, the cost of investing in a Fund may materially be higher than a similar Fund that invests direct in securities. Mutual Funds, ETPs, CITs, and other fund offerings are subject to specific risks, depending on the nature of the fund. These risks include but are not limited to market risk, liquidity risk, management risk, credit risk, concentration risk, inflation risk, security type risk, and horizon risk.

**Exchange Traded Funds (ETFs) Risk:** ETFs are subject to investment advisory and other expenses, which will be indirectly paid by each Fund. As a result, the cost of investing in a Fund will be higher than the cost of investing directly in an ETF and may be higher than other mutual funds that invest directly in stocks. ETFs are subject to specific risks, depending on the nature of the Fund.

**Other Risks:** This list of risks is not comprehensive, and the Fund may be subject to other risks not specified in this Investor Disclosure.

## **Fund Name: NAVIQUANT GLOBAL LOGIQ**

**Objective:** NAVIQUANT GLOBAL LOGIQ primarily seeks capital appreciation and secondarily capital preservation.

**Strategy:** NAVIQUANT GLOBAL LOGIQ model uses a proprietary quantitative process and indicators to help detect the acceleration of momentum of broadly-based equity indices that may have asymmetric risk/reward opportunities. The fund seeks to provide positive returns in a variety of market conditions with lower volatility throughout market cycles. The resulting portfolio targets a high correlation to the MSCI ACWI Index in bull markets and a lower, or negative, correlation in bear markets.

## INVESTMENT GUIDELINES

**Asset Classes:** Equities: Domestic Large Cap, International Large Cap, Domestic Mid Cap, International Mid Cap, Domestic Small Cap, International Small Cap, US Fixed Income, Cash Equivalent

**Leverage:** None

**Security Type:** ETF, CIT

**Geography:** World Allocation

**Liquidity:** The Investment Manager will retain an appropriate allocation to the Alta Trust Short Term Investment Fund for liquidity purposes.

## ALLOCATION GUIDELINES

Naviquant’s algorithm allocates a percentage of the CIT assets to each asset class based on their particular momentum score (The Momentum Score is system that scores companies based on the 1-year total returns excluding the last month of returns).

## Trustee and Management Fees

There are no sales commissions charged for purchases and sales of interests in the Fund.

### Fees

| CUSIP     | Fund Name                      | Trustee Fee <sup>1</sup> | Management Fee <sup>2</sup> | Service Fee <sup>3</sup> | Fee Total <sup>4</sup> |
|-----------|--------------------------------|--------------------------|-----------------------------|--------------------------|------------------------|
| 63942V100 | NAVIQUANT GLOBAL LOGIQ Class 1 | 0.08%                    | 0.40%                       | 0.00%                    | 0.48%                  |
| 63942V209 | NAVIQUANT GLOBAL LOGIQ Class 2 | 0.08%                    | 0.00%                       | 0.00%                    | 0.08%                  |

<sup>1</sup> The Trustee Fee for the Fund, if any, is paid to the Trustee out of the Fund’s assets as compensation for its services and is in addition to the Management and Service Fees. The Trustee Fee tiers as follows:

|                   | Tier 1    | Tier 2      | Tier 3   |
|-------------------|-----------|-------------|----------|
|                   | 0-100 mil | 100-250 mil | 250 mil+ |
| Trustee Fee       | .08%      | .06%        | .05%     |
| Total Trustee Fee | .08%      | .06%        | .05%     |

<sup>2</sup> The Management Fee for the Fund, if any, is paid to the Investment Manager out of the Fund’s assets as compensation for its services and is in addition to the Trustee and Service Fees.

<sup>3</sup> The Service Fee for the Fund, if any, is paid to the custodian or recordkeeper or other eligible party as designated by the Plan Fiduciary out of the Fund’s assets and is in addition to the Trustee and Management Fees.

<sup>4</sup> The Fee Total for the Fund includes all three fees indicated above. All fees are calculated based on the fair value of the assets held in the Fund as of the Valuation Date (as defined in the Declaration of Trust).

## Expenses

In addition to the Fees set forth above in this schedule, other applicable expenses may apply to the Fund for the administration and operation of the Fund as outlined in the Declaration of Trust, including but not limited to custody, audit, transfer agency, etc.

The Investment Manager may choose to invest the Fund’s assets in mutual funds, exchange traded funds or other investments that have their own internal expenses (“Acquired Expenses”). The Fund will also be subject to Acquired Expenses, as applicable.

### Total Operating Expense

The total operating expense of the Fund is the total of all fees, expenses, and credits. The expenses of the Fund in the Naviquant Collective Investment Trust are as follows:

| Fund Name                      | Fee Total (see above) | Estimated Acquired Expense | Estimated Administrative Expense | Total Operating Expense | Effect on \$1,000 Annually |
|--------------------------------|-----------------------|----------------------------|----------------------------------|-------------------------|----------------------------|
| NAVIQUANT GLOBAL LOGIQ Class 1 | 0.48%                 | 0.07%                      | 0.02%                            | 0.57%                   | \$5.70                     |
| NAVIQUANT GLOBAL LOGIQ Class 2 | 0.08%                 | 0.13%                      | 0.07%                            | 0.28%                   | \$2.80                     |

In addition to the Trustee fee listed in the Fees table above, Alta Trust may receive compensation on the spread of the Alta Trust STIF (STIF) and securities lending as outlined in the Declaration of Trust and Participation Agreement. The STIF is an account maintained by Alta Trust. It is not a registered security or mutual fund and is not an account that is FDIC insured. As described in the Declaration of Trust, the STIF will pay a specified crediting rate to the CIT(s). That rate will be established from time to time by Alta Trust, based on the return on the investment of assets held in the STIF. The STIF does not have any separately stated fees. However, as indicated in the Declaration of Trust, Alta Trust will retain as compensation the difference between the crediting rate and the return on the STIF's invested assets (referred to as the "spread").

### Turnover Ratio

The estimated turnover ratio of the Fund in Naviquant Collective Investment Trust is as follows:

| Fund Name              | Estimated Turnover Ratio |
|------------------------|--------------------------|
| NAVIQUANT GLOBAL LOGIQ | 157%                     |

The turnover ratio is calculated on an annual basis and is as of the most recent calendar year end after inception. When sufficient Fund history isn't available, an estimated turnover ratio will be provided based on the strategy employed outside of the Fund.
